Borderlandsmuseum

South Varanger Museum narrates the complex border history of South Varanger, a multicultural community with Finland to the west and Russia to the east. The main building, the Borderland Museum, lies by the E6, the main road leading in to Kirkenes. The outdoor area contains a turf hut, a small open pit quarry for children with elements from the ore industry; a full-scale copy of the labyrinth at Holemgrå.

Eight Seasons

Eight Seasons offers experiences and accommodation. Neiden and the neiden area can offer many great experiences, such as salmon fishing in the Neiden river, sea fishing in the Neiden fjord, hunting, bird watching to name a few. In the Sami people's culture, the year is divided into eight seasons. We want to offer experiences within all eight seasons.

Ä'vv Skolt Sámi museum

Ä'vv conveys the little known history of the Skolt Sámi, the area's indigenous people. The Skolt Sámi land is divided between three countries; Norway, Finland and Russia, and the Skolt Sámi number less than 2000. They have a distinct culture and language. In our exhibition Saa'mijânnam Skolt Sámi Land, visitors can experience Skolt Sámi history from the ice age and until today.
