Cape Nordkyn -
Northernmost point of
European mainland

VISIT NORDKYN

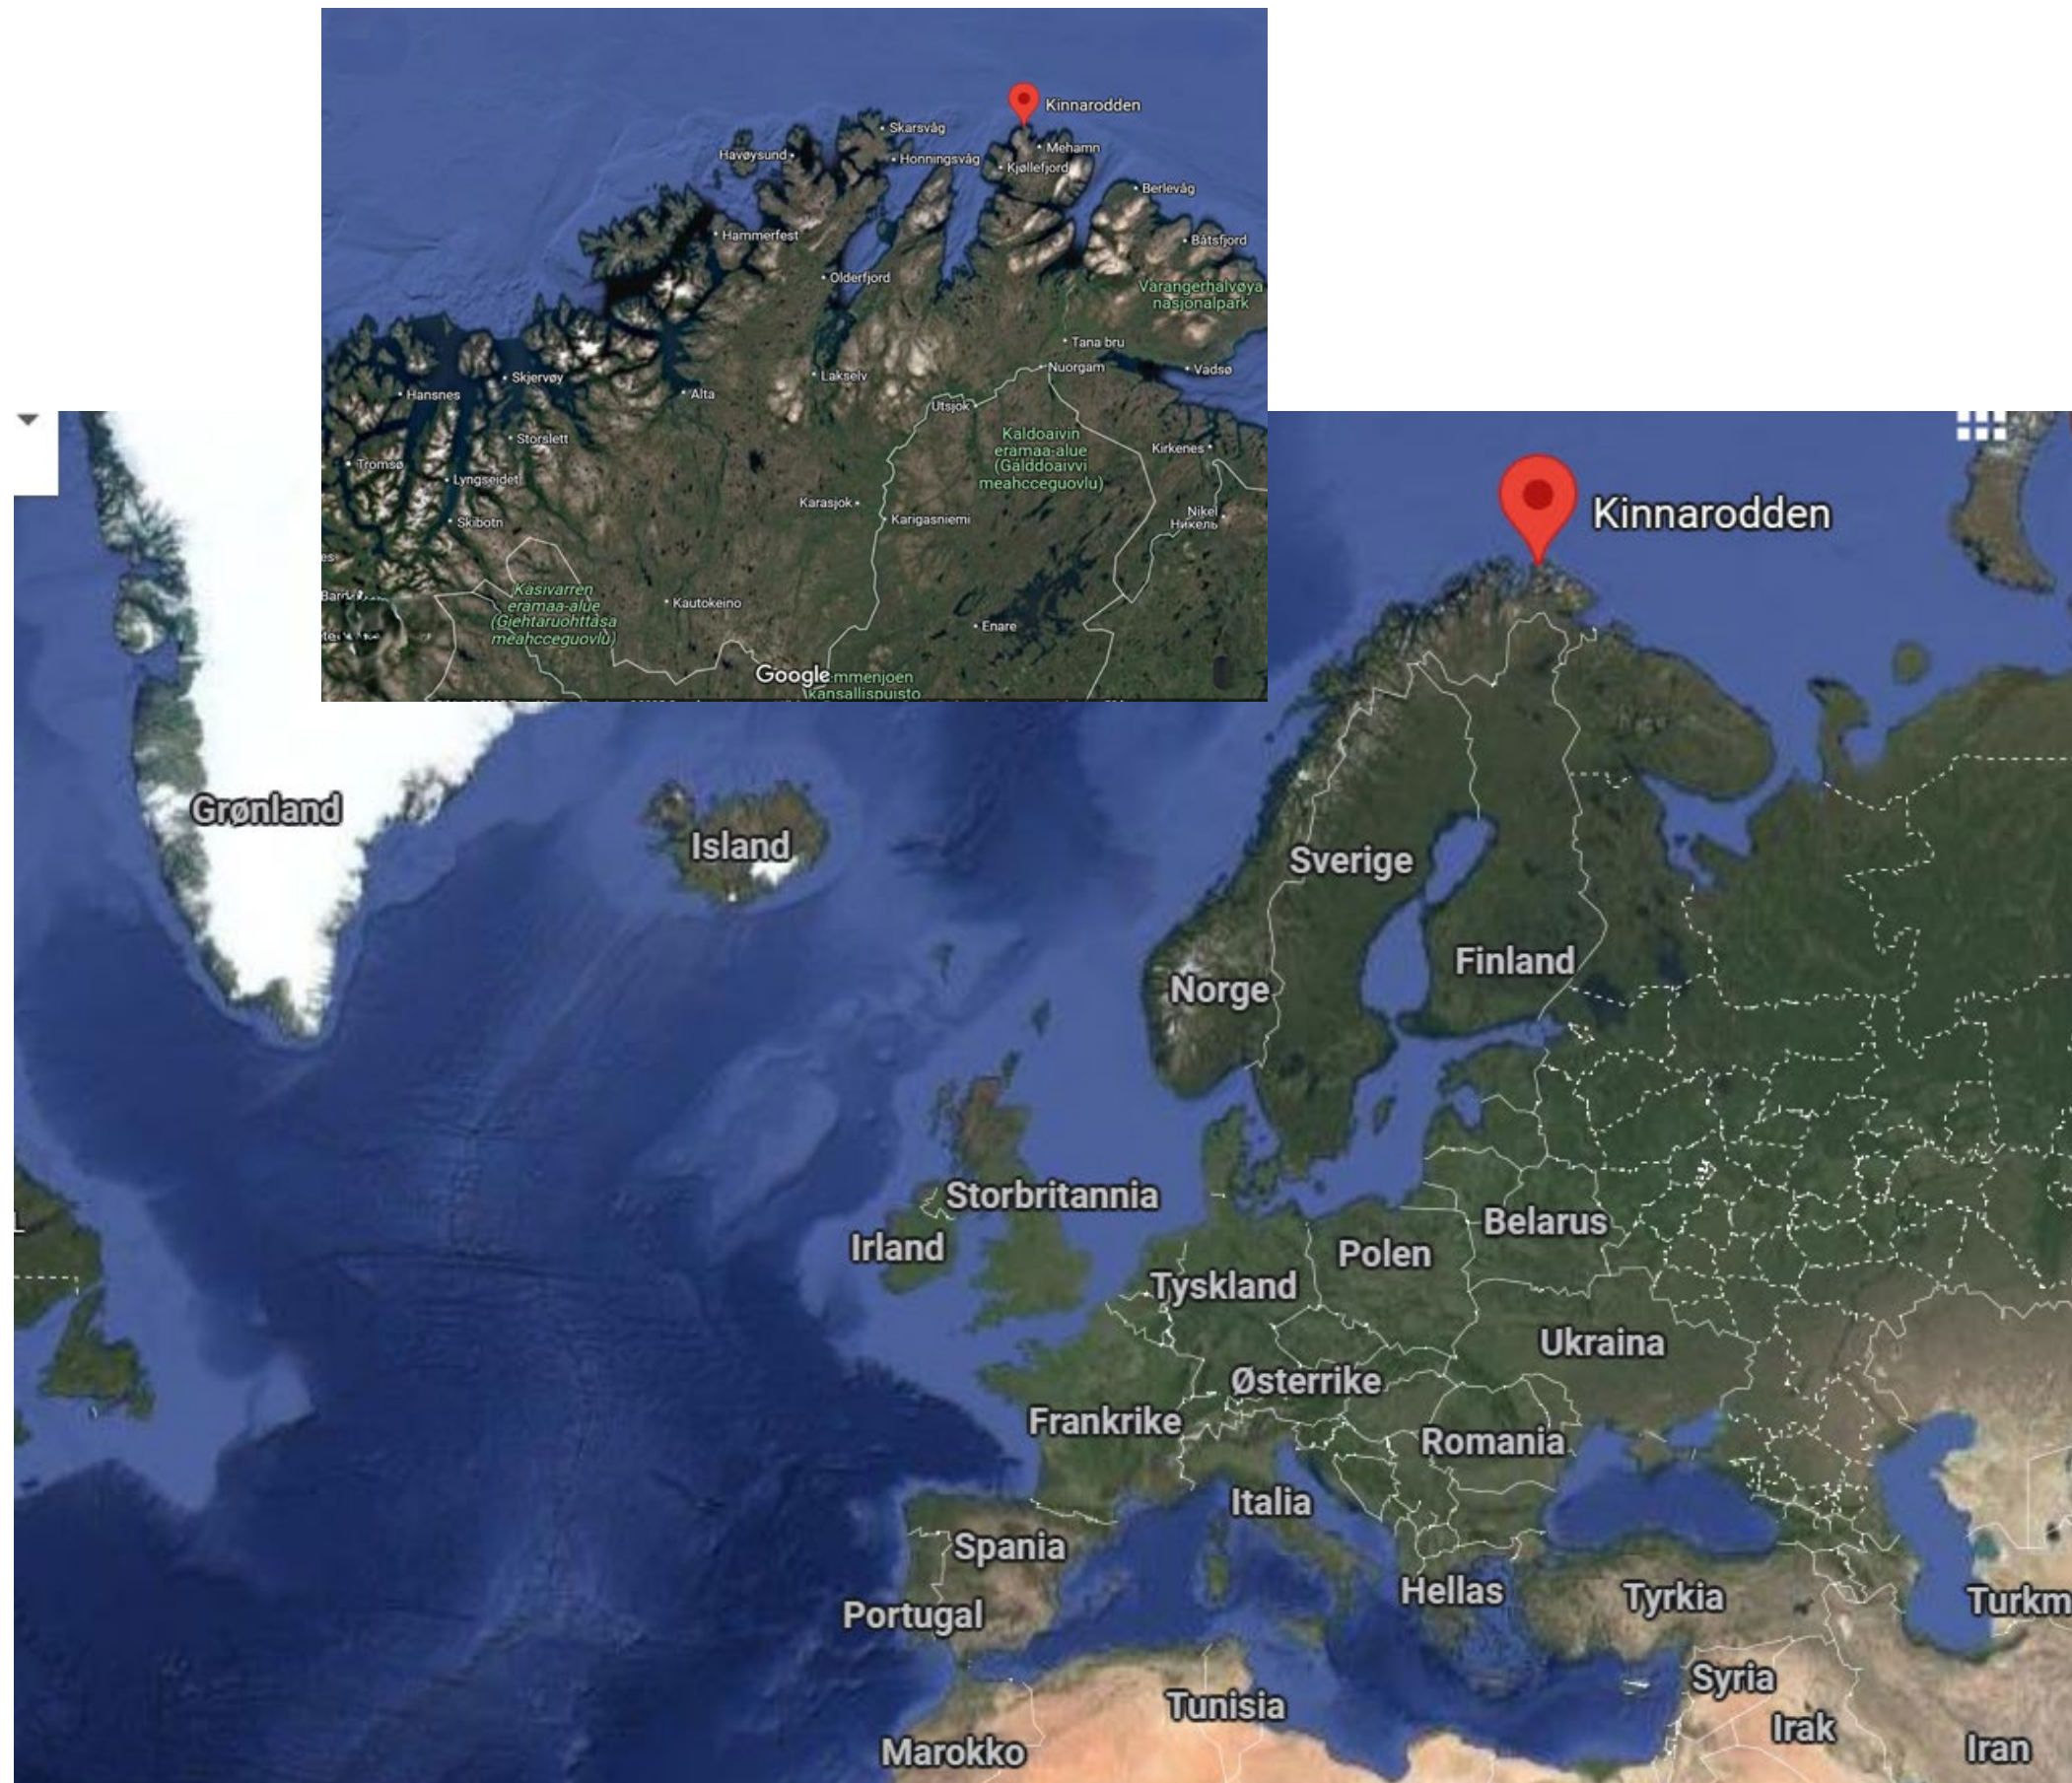

NORDKYN

DER
NATUREN
RÅR

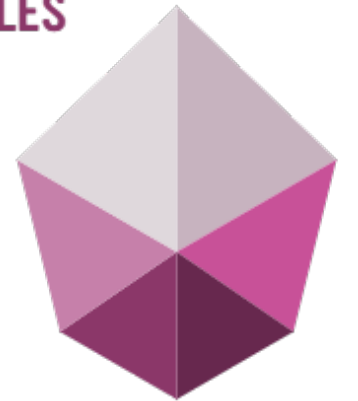

About us

On top of Europe, where the roads ends, and all you see to the north is the Barents Sea. Here you find 5 exotic and vibrant fishing villages, where people make their living from the ocean and the nature. This is Nordkyn where nature rules

NORDKYN

WHERE
NATURE
RULES

Where are we

- And how to get here
- Driving from south, east and west, through Ifjord
- Coastalroute (Hurtigruten & Havila) to Mehamn and Kjøllefjord
- Fly (Wideroe) to Mehamn
- Fly & drive Ivalo/Alta/Lakselv/Kirkenes and rentalcar to Nordkyn

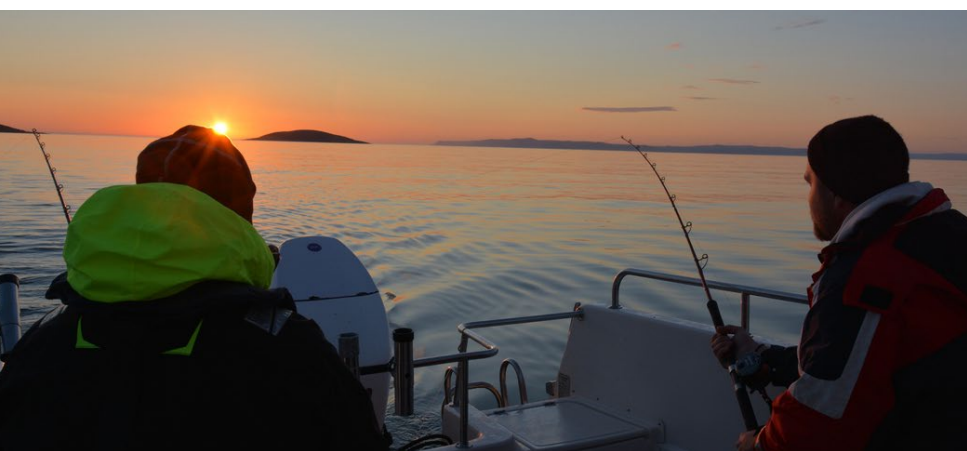

NORDKYN

WHERE
NATURE
RULES

USP

- The end of the world
- Slettnes Lighthouse – the northernmost lighthouse in the world
- Exotic fishing villages- coastal culture
- Samiculture
- 60 hiking routes
- Hiking & Biking routes
- Local Food routes
 - Both with luggage transport if necessary
- JetSki safari to Cape Nordkyn- the northernmost point of European mainland
- And all this without queues or spending time waiting in line.

We have room for more guests;

Slettnes Lighthouse

Slettnes Lighthouse in Gamvik. Stay by the old lighthouse, in the old lighthousekeeper's way. Slettnes lighthouse is the world's northernmost lighthouse on mainland. From the top of the lighthouse, enjoy a spectacular view of the endless sea and the harsh but beautiful nature

<https://slettneslighthouse.no>

Slettnes fyr

Foldalbruket Kjøllefjord

Foldalbruket in Kjøllefjord invites the guests to take a step back in time and enjoy a good night's sleep, just like the fishermen did in the 1950s. Enjoy the fresh air and the sea views. High possibility to encounter wildlife, such as seals and otters, and a great variety of birds just meters away.
