We live in a refrigerator.
Everything grows more slowly.
The cod. The cloudberries.
The rhubarb. The reindeer. The sheep.
More flavour. Better texture.
No transportation.
We are lucky, and so are you, as you
get to visit us!

Theater Play "Maren"

In 1662, 12-year-old Maren was sentenced to death by fire and water, accused of witchcraft. This is a theater performance based on her trial. Before the show, there is a guided tour of Vardøhus Fortress, and after the show, a tour of the Witch Monument at Steilnes.
