TRAVEL TO FINNMARK

FLY
SAS and Norwegian both have direct flights from Oslo to Alta and Kirkenes in Finnmark, often at very reasonable rates. They run every day and most days more than once, often with a short stop in Tromsø. From Tromsø there are multiple flights to Alta and Kirkenes every day.

Within Northern Norway Widerøe is a good alternative, especially for shorter flights, since they can land in all the smaller airports in the region.

To book your flights to Northern Norway and Finnmark you can contact VIA Travel. They have long experience with flights in this region as well as international routes. Contact them at alta.bestilling@viatravel.no or +47 784 49 555

DRIVE
A good way to see Finnmark is by driving around and most of our packages work very well for fly and drive. Hertz is a well known company world-wide and in Finnmark they have good quality cars and reasonable rates.

BOAT
Hurtigruten is regarded as one of the most beautiful coastal voyages in the world and operate from Bergen in the south to Kirkenes in the north. Guests can choose to travel the whole voyage or smaller trips from port to port. Fantastic food, beautiful views and a relaxing atmosphere are characteristics of Hurtigruten and we have included parts of the voyage in many of the packages in our portfolio.
NORTH ADVENTURE

North Adventure has a unique range of services and activities at exciting destinations. We provide guides and travel guides for all trips in the regions of North Troms and Norwegian Lapland. We pave the way for wonderfully exotic adventures in “the last wilderness in Europe”! SIGHTSEEING TO THE RUSSIAN BORDER AND THE MINING TOWN BJØRNEVATN

A guided trip by bus to the Russian border and the iron ore mines in Bjørnevatn. Our first stop is “Skafferhullet”, the historical crossing point on the border between Norway and Russia. We visit the border and have views of the Russian community of Boris Gleb on the other side. Your guide will provide information on the various historical events which took place in this area. We continue to the mining town Bjørnevatn which has gone through dramatic changes the last years. The mines were closed in 1996 and were reopened again in 2009. Here we gain an insight into 90 years of mining history. We continue our trip to the viewpoint «Storfjell» where we get a nice view over the fjord.
